

I listen to K-Love radio in NC, transmitted from the Raleigh/Durham area and from the Wilmington/Myrtle Beach area. It is an extremely important part of my life, bringing my family and me, uplifting music and discussions that can be shared by the whole family without having to worry about my children hearing inappropriate comments or musical lyrics. I believe the US needs more stations like K-Love. So many other radio stations broadcast music, language, or subject matters that are not in the best interest of the children and teenagers in the US. It is important to me that K-Love remain on the air in our area and not be replaced by a LPFM broadcaster providing other programming.
